## November 21, 2021

"Now the great thing is this: we are consecrated and dedicated to God in order that we may thereafter think, speak, meditate, and do, nothing except to his glory. For a sacred thing may not be applied to profane uses without marked injury to him. "

*John Calvin*

## Profane

In our society, we often use the word profanity. If we look at the etymology of the word, it helps us *understand* a biblical principle. The word profane comes from the Latin ***pro*** which means before, and the word ***fanum*** which means temple. So, it literally means outside the temple, not sacred.

From a biblical standpoint, I really see this exemplified in the book of Malachi. *Malachi 1:7–14* [7] *"You are presenting defiled food upon My altar. But you say, 'How have we defiled You?' In that you say, 'The table of the LORD is to be despised.'* [8] *"But when you present the blind for sacrifice, is it not evil? And when you present the lame and sick, is it not evil? Why not offer it to your governor? Would he be pleased with you? Or would he receive you kindly?" says the LORD of hosts.* [9] *"But now will you not entreat God's favor, that He may be gracious to us? With such an offering on your part, will He receive any of you kindly?" says the LORD of hosts.* [10] *"Oh that there were one among you who would shut the gates, that you might not uselessly kindle fire on My altar! I am not pleased with you," says the LORD of hosts, "nor will I accept an offering from you.* [11] *"For from the rising of the sun even to its setting, My name will be great among the nations, and in every place incense is going to be offered to My name, and a grain offering that is pure; for My name will be great among the nations," says the LORD of hosts.* [12] ***"But you are profaning it****, in that you say, 'The table of the Lord is defiled, and as for its fruit, its food is to be despised.'*

Make no mistake, we still offer a sacrifice on the altar. It is the sacrifice of our lives we give to Christ. *1 Peter 2:5 you also, as living stones, are being built up as a spiritual house for a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ.* If the spiritual sacrifices we give to God are not pure and holy, sanctified and set apart, we are profaning the altar. Will the Lord be happy with us and treat us kindly if we make our worship, our service, our lives, common—profane. I think not. God still requires obedience, pure worship, and the best of what we have to offer. Treat God with reverence and respect, and treat what is important to God with reverence and respect. Make your sacrifice holy and sanctified, not common and profane.
