Minister

Rex Walcher (918) 652-1244

413 W. Broadway
Henryetta, OK
652-4258

He Loved Him

There is a story in all three gospels about a rich, young ruler. He asked Jesus a question, "What shall I do to inherit eternal life?" In all three gospels, the response is basically the same, **Matthew 19:18 [18] Then he said to Him, "Which ones?" And Jesus said, "YOU SHALL NOT COMMIT MURDER; YOU SHALL NOT COMMIT ADULTERY; YOU SHALL NOT STEAL; YOU SHALL NOT BEAR FALSE WITNESS;** The ruler, I'm sure, was relieved that he could easily check these off the list. But, then Jesus deals the fatal blow, "sell all that you have!" The ruler could not, because he was in love with his possessions, and he went away sorrowful.

Why did Jesus tell the ruler to do something that Jesus knew he would not do? Was it just to antagonize him, to make him feel bad? This is where Mark gives us the clue we need, **Mark 10:21 Looking at him, Jesus felt a love for him.** Jesus told him the truth, not because He wanted to make him feel defeated, He told him the truth because He desired him to be saved, He loved him!!

Jesus told us that the truth will set us free. That is true for you and me and the rich young ruler. However, it will only set us free if we are obedient to the truth. The truth only provides one path. The rich ruler wanted another way to eternal life. He wanted to use his power or influence, he wanted to use his obedience to those things that did not require undo sacrifice. The truth that would save him, he was unwilling to obey.

Jesus loved him, He wanted him to be saved, He told him the truth, it was up to the ruler to obey. Jesus loves all of us the same way, He desires us to be saved. He gives us the truth to salvation in His word. Many want another way, to use their works, or their confession, maybe a prayer to save them. The truth, however, only provides one way. Repent, be baptized, and live a life faithful to the word of Jesus Christ. Jesus loves you; do you love him enough to be obedient to His truth, or will you go away sorrowful?
