A Closer Walk with God

James 4:8 [8] Draw near to God and He will draw near to you. Cleanse your hands, you sinners; and purify your hearts, you double-minded.

How do we draw closer to God? I have observed in my lifetime many fads, books, and seminars on how to do this. Let me ask you a question. How many of you have started a diet, how many of you stayed on the diet for over a year, two years. My thought would be not many. It is the same way with almost all the "fads" I have listed. Many begin well and have great intentions, but they soon fall away and back into their old habits. So, what is the answer? Truth is I do not have a magic answer, but I can share some of my observations over the years.

I can tell you a few things I know about people who I feel have remained close to God for many years. They all revolve around Godly habits.

First, they have a habit of study. Their bible is a part of their lives. They have favorite passages, and at least a few memorized verses. They spend a few minutes a day reading God's word.

Second, they have a habit of prayer. They pray at meals, they pray at designated times, they pray with and for others. Prayer is something they do every day and they are not afraid to pray with you if you desire it.

Thirdly, they have a habit of assembly. They are the ones that are there anytime the doors are open. When they are not there you know something is wrong.

I could go on, but I think you can see, to draw near to God, you need to have Godly habits. It is like what you hear concerning diets, you need to find something you can stay on, a lifestyle change. God is a lifestyle change. If you want to draw near to God, get into the habit or God. Know God "study", Talk to God "pray", and spend time with God "assemble".
