Attitude

Attitude--a settled way of thinking or feeling about someone or something, typically one that is reflected in a person's behavior.

How would you describe your attitude? In simple terms, positive or negative, but it is more complicated than that, and the bible tells us a few things about our attitude.

Luke 1:17, we must turn to the attitude of the righteous. This is, actually, what repentance is to turn toward God, to righteousness. It is a turning away from disobedience. John the Baptist came preaching the baptism of repentance to turn toward righteousness, a change of attitude.

In Philippians 2:5, Paul tells us we must have the attitude in us that is in Christ. The illustration is that as Christ humbled Himself to the cross, we must have a humble attitude. Looking toward Jesus always as our example.

In Philippians 3:15, we must have an attitude of forgetting what is in our past and reaching forward to eternity. Our past holds us prisoner in so many ways. Mistakes we have made, grief and loss we have endured, addictions that call out to us. Our attitude must be one of looking forward, living each day and not letting our past control us.

In Colossians 4:2, we must have an attitude of Thanksgiving. This, specifically, is in response to our prayer life. When we pray, remember our blessings in Christ and to always mention them to the God from whom all blessings flow. Count your blessings, name them one by one, and it will surprise you what the Lord had done.

In James 2:1, do not have an attitude of favoritism. Look at people the way that God looks at them, with an open mind and an open heart. See individuals as a soul that needs saved not as a problem to be solved. Wealth, beauty, intelligence and all the other attributes that define man in this life, will mean nothing when we stand before the righteous judge. Remember, the last will be first, and the first last.

So, your attitude must be righteous, humble, positive, thankful, and impartial. I do not know about you, but it might be time for me to do an attitude check.
