Give Me a Minute

The phone rings and the salesman states, "I just need a minute of your time." Sounds familiar doesn't it? The only way you are going to get them off in a minute is to hang up on them. A minute with a salesman seems like an eternity, a minute on a rollercoaster seems like two seconds. What exactly can happen in a minute?

The average American household makes $.096 in a minute, Oprah makes $537, however the average person in the world makes $.013, 250 babies are born, 113 are born into poverty, 15 will have birth defects, and 107 people will die. Three violent crimes and two auto thefts will occur in the United States, and we will use 55,575 barrels of oil. Worldwide, there are 5 earthquakes and 360 lightning strikes. Back in the United States, 120,673 lbs of edible food is thrown away, and 18 people will die of starvation.

I cannot tell you how many prayers are said, how many are baptized into Christ, or how many reject the gospel, in a minute. I do however think the minute you accept or reject the gospel is the most important minute of your life.

You cannot save minutes, but you can use them wisely. I know from the 139 Psalms that we only have so many minutes in our lives. I have had some really good ones and some really bad ones, but most of them I don't remember, do you? One minute your soul will be required, one minute your name will be revealed in the Lamb's book—or will it? The point is, use some of your minutes to consider your soul and work out your salvation. If you need me, I will gladly use some of my minutes to help you with this eternal decision.
