Praying for the Church

We have been studying prayer on Sunday nights, and I would really like you to join me in praying for our church. Here are some specific things I wish you would include in your prayers.

Pray for those of our number who are struggling on a continual basis with sickness and loneliness. Many need our prayers every day, check your bulletin for the sick of our number and those who have requested our prayers. Be persistent, remember the worry of their lives is continual and so should our prayers be on their behalf.

Pray for our search for a youth minister. The elders have sent out multiple letters to other congregations and have contacted several schools. Pray for the right person to respond, the right person for our congregation to lead our youth and make an influence in our community.

Pray for the lost in this town that we may meet them and help to show them the gospel of Jesus Christ. Pray that the assembly here may reach the lost and help them to be saved. Pray for your family members who have not obeyed the gospel that their hearts may be softened and they may come to a knowledge of salvation.

Pray for the elders here, by name, and ask God to help them lead the way He would have them lead. Pray for their strength and patience as they deal with problems that may arise.

Pray for each other that we may all be together with those who have gone on before us. Pray that we may enter the next life finding a home for us prepared in heaven.
